MILKSHAKE MACHINES

Single, twin and triple head mixers featuring an elegant compact design, long life, polished stainless steel front contrasts with durable powdercoated side panels.

Each motor has its own two speed control switch.

Automatic stop-start as cups are loaded and removed.

Positive location of cups without crushing and easily cleaned nylon cup support.

Powerful motors on anti vibration mounts ensure quiet operation.

Stainless steel spindles and twin stainless steel aerators are ideal for standard and thick shakes.

Replacement motor and shaft assemblies are available for older model Hayman MS1 and MS2 mixers.
